The Honorable Rosa DeLauro
Ranking Member

1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Addison Township Community Center Improvement Project** in fiscal year 2027. The entity to receive funding for this project is the Township of Addison, located at 401 N. Addison Rd, Addison, IL 60101.

The funding will support building upgrades that enhance accessibility, safety, and security, including ADA improvements, updated infrastructure, and modernized systems. These improvements will ensure residents can safely access services while enabling the Township to meet growing community needs in a safe, accessible, and welcoming environment.

The project is an appropriate use of taxpayer funds, as the upgrades will enable Township of Addison to continue serving thousands of residents while meeting modern safety and accessibility standards.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez
Member of Congress
