The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Bartlett High School ADA Accessible Athletic Room Construction Project** in fiscal year 2027. The entity to receive funding for this project is the School District U-46, located at 355 E. Chicago, St. Elgin, IL 60120.

The funding would be used for the rehabilitation of the deteriorating locker room facilities at Bartlett High School, a public facility serving students and the broader community. Rehabilitation will address existing structural deficiencies and safety hazards while improving accessibility for all users, including those with disabilities.

This project is an appropriate use of taxpayer funds because it addresses structural deficiencies and safety hazards in a public facility that serves thousands of students and community members annually, while improving accessibility for users with disabilities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez  
Member of Congress
