Building Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Enhanced Safety Project in Fiscal Year 2024. The entity to receive funding for this project is the nonprofit Educare West Dupage located at 851 Pearl Road West Chicago, IL 60185. The funding would be used for repairing hazardous areas as well as improve the building efficiency to provide a safe space for children and families that are served by Educare West DuPage. The project is an appropriate use of taxpayer funds because this would directly improve the safety of the space used by students and families by including better lighting on the exterior of the building to make entry and exit more secure.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(5)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez
Member of Congress
