Chair  
Appropriations Committee

Building Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Tonne Road Reconstruction Project. The entity to receive funding for this project is Elk Grove Village at 901 Wellington Avenue Elk Grove Village, IL 60007. The funding would be used to eliminate turn movements between trucks and passenger vehicles while increasing the utility of the boulevard to include multi-use trails, completing a major gap in Elk Grove Village's planned bicycle and pedestrian network. The project is an appropriate use of taxpayer funds because this would increase safety, both at Tonne and Elk Grove Boulevard/Touhy Avenue as well as at Tonne and Landemier Road. It would also provide efficient access to the business park, which is expected to reduce motor accidents.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez  
Member of Congress
