The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding to enhance **Wayne Township Powis Road** in fiscal year 2026. The entity to receive funding for this project is Wayne Township Road District, located at 4N230 Klein Rd., West Chicago, IL 60185.

The funding would be used to repair and resurface a highly used roadway within the Township Road District that would improve safety and overall quality of life for residents and people who use these roads.

The project is an appropriate use of taxpayer funds because the roadway serves as a vital link between two major thoroughfares and is the only entrance to the Pratt Wayne Woods Forest Preserve. This project will make a tangible difference in the lives of community members, ensuring that they can travel safely and efficiently.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez
Member of Congress
